## ENCLAVE COLLECTION

Straight lined and modern, Enclave features a smooth picture frame styling throughout all pieces. A high back and slight curve on the crib speaks to its transitional design. This is a stately collection that has room to grow with many storage solutions.

### OUR GUARANTEE

We give you peace of mind with a 15 year Limited Lifetime Warranty.

### SOLID WOOD

Baby's Dream uses 100% Solid Wood, no veneers. The Enclave Crib and all Dressers have solid wood throughout including all Tops, Sides, Drawers, and an interior solid wood skeletal structure.

Bumper cutouts are carved out of the wood to make tying bumper strings around thick corners easy.

Dovetail Drawers and Metal Drawer Glides.

Oversized dimensions for longer usage.

Built from sustainably harvested wood. For every tree used, 2 are replanted.

Solid wood construction throughout.

Built in our Buena Vista, Georgia factory.
